ARTICLE 1
PURPOSE

In consideration of the mutual covenants herein recited, which have been established through collective bargaining procedures as provided for under Montana State statutes, this Agreement has as its purpose the promotion of harmonious relations between the EMPLOYER and the ASSOCIATION; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, fringe benefits, officer safety, and other conditions of employment.

ARTICLE 2
RECOGNITION

Section 1. The EMPLOYER recognizes the ASSOCIATION as the exclusive representative for all employees covered by this AGREEMENT.

Section 2. This AGREEMENT shall cover all full-time regular deputy sheriffs of Missoula County, Montana, with the exclusion of the sheriff, undersheriff, and deputies with the rank of captain or above.

Section 3. The ASSOCIATION shall provide the EMPLOYER with a list of Association representatives who may be contacted for the transaction of business with the ASSOCIATION. The EMPLOYER representative will be the County's Director of Human Resources.

ARTICLE 3
ASSOCIATION SECURITY AND DUES COLLECTION

Section 1. All employees covered by this AGREEMENT who are or become members of the ASSOCIATION on or after the effective date of this AGREEMENT shall maintain their membership with the ASSOCIATION.

Section 2. All employees covered by this AGREEMENT hired on or after its date of execution shall, within 60 days following the beginning of such employment either become and remain members of the ASSOCIATION or comply with the provisions of Section 3 or 4 hereof.

Section 3. Any employee failing to comply with the above Section 1 and 2 of this Article, shall, as a condition of continued employment, pay a monthly service charge to the ASSOCIATION as a contribution towards the administration of this AGREEMENT. The amount of this monthly service charge shall be determined by the ASSOCIATION.

Section 4. The right of non-association of members of the Missoula County Sheriff's Department based upon bona fide religious tenets or teachings of a church or religious body of which such employee is a member shall be protected at all times and such employee shall pay such sum in such manner as is provided in 39-31-204, M.C.A., which, by this reference is incorporated herein as set forth.

Section 5. Upon written authorization of an employee within the bargaining unit, the EMPLOYER shall deduct from the pay of the employee the monthly amount of the dues as certified by the Association Secretary and shall deliver the dues to the Association Treasurer.

Section 6. The ASSOCIATION will indemnify, defend, and hold the EMPLOYER harmless against any claim made and against any suit instituted against the EMPLOYER, including attorney's fees and costs of defense thereof, on account of any action taken in accordance with this Article.

ARTICLE 4 MANAGEMENT RIGHTS

Section 1. A. Except as otherwise limited by an express provision of this AGREEMENT, the EMPLOYER reserves and retains, whether exercised or not, all the lawful and customary rights, powers, and prerogatives of public management. Such rights include but are not limited to establishing standards of productivity and performance of its employees; determining the mission of the department and the methods and means necessary to fulfill that mission, including the discontinuation of services, positions, or programs in whole or in part; the determination of the content of a job description, (as modified in Article 7); the appointment, promotion, assignment, direction and transfer of personnel; the suspension, demotion, discharge or any other appropriate action against its employees; the relief from duty of its employees because of lack of work or for other legitimate reasons; the establishment of reasonable work rules; and the taking of all necessary actions to carry out its missions in emergencies. B. Changes in the Missoula County Sheriff Department's Policies and Procedures Manual that affect the wages, hours, benefits or working conditions of the employees in the bargaining unit shall be submitted to the Association President sufficiently in advance of implementation that the ASSOCIATION has a reasonable opportunity to review and comment on the intended changes.

Section 2. Those inherent management rights not restricted by specific provisions of this AGREEMENT are not in any way, directly or indirectly, subject to the grievance procedure.

Section 3. The EMPLOYER agrees that no services or work of the kind, nature or type covered by, presently performed, or hereafter assigned to the bargaining unit will be sub-contracted, transferred, leased or assigned, in whole or in part, to others if it would cause the separation from employment of any bargaining unit member or a reduction in the number of bargaining unit positions, without the mutual consent of the parties.

ARTICLE 5
NO STRIKE - NO LOCKOUT

The ASSOCIATION agrees to the essential nature of the services provided by its members in protecting the public welfare. In recognition of this fact, the ASSOCIATION agrees that there shall be no work interruptions, slowdowns, or strikes at any time. In the event of unauthorized interruptions, the ASSOCIATION agrees that it will join the EMPLOYER in requiring its members to return to work immediately. The EMPLOYER agrees that there shall be no lockout of bargaining unit employees. The terms of this Article shall apply during the duration of this AGREEMENT and shall continue during such period as either party to this AGREEMENT actively pursues mediation and fact finding as set forth by the rules and regulations promulgated by the Montana State Board of Personnel Appeals.

ARTICLE 6
NON-DISCRIMINATION

The EMPLOYER and the ASSOCIATION agree that neither shall discriminate against any employee, or applicant for employment, in violation of law.

ARTICLE 7
JOB DESCRIPTIONS

Section 1. It shall be the responsibility of the Human Resources Office to prepare job descriptions which define the duties, and qualification requirements for each position covered by this AGREEMENT. No job description may be changed without the EMPLOYER providing advance notice to the ASSOCIATION regarding the proposed change and, if requested, bargaining in good faith over such proposed change in accordance with the law. Job descriptions shall be attached to the collective bargaining agreement for reference purposes only, and their attachment in no way restricts the EMPLOYER's right to modify job descriptions in accordance with this Section.

Section 2. While the ASSOCIATION recognizes the Sheriff's right to require employees in certain job classifications to perform deputy coroner responsibilities, and while such employees are eligible for a deputy coroner pay differential as provided in Article 29, an employee who has provided medical certification of a legitimate, bona fide medical condition that would prevent the employee from carrying out these coroner responsibilities shall not receive a reduction in rank due to such a medical restriction. Nothing in this Agreement restricts the EMPLOYER from seeking a second opinion or independent medical evaluation from a qualified medical provider, provided this evaluation is at the EMPLOYER's expense. The ASSOCIATION understands and agrees that the EMPLOYER may require an employee to participate in such a medical evaluation. An employee who is permanently restricted from carrying out coroner responsibilities due to such a medical reason shall not be eligible to receive the coroner pay differential in Article 29.

ARTICLE 8
PERFORMANCE EVALUATIONS

Section 1. The EMPLOYER shall establish a system of periodic employee performance evaluations. The Sheriff or his designee shall complete a written report on forms provided by the Missoula County Human Resources Office for each employee covered by this AGREEMENT. Employee performance evaluations shall be used for the purpose of informing the employee of strong and weak points, pointing out training needs and expected improvements, providing appropriate recognition to the efficient employee, and guiding the employee towards the fullest development of his/her capabilities.

Section 2. Performance evaluation reports shall be made on probationary employees at the end of six (6) months and at the end of the probationary period or at lesser intervals if deemed by the employee, the employee's immediate supervisors, or by the Sheriff to be in the best interest of the employee or the County.

Section 3. Performance evaluation reports on regular employees covered by this AGREEMENT will be made at least once a calendar year.

Section 4. All employee performance evaluation reports shall be reviewed with the employee by the supervisor conducting the performance evaluation. The Sheriff, Undersheriff, or the Sheriff's designee shall review the performance evaluation. Employees shall have the right to present a written appeal of their performance evaluation to the Sheriff within thirty (30) days from the employee's evaluation interview.

Section 5. An employee receiving a performance evaluation reflecting less than satisfactory performance shall receive written notice from the supervisor detailing the reasons for the less than satisfactory rating and outlining what the employee needs to do to bring his/her performance up to a satisfactory level. Subject to other applicable provisions of this AGREEMENT, subsequent documentation reflecting continued unsatisfactory performance may be grounds for disciplinary action and termination.

Positions covered by this AGREEMENT open for promotion shall be filled by qualified persons within the bargaining unit when such persons are interested in and, are capable of performing the duties of the vacant position.

Section 3. All new appointments to positions in the bargaining unit shall be on a probationary basis for a period of one (1) year. Employees serving a probationary period will either

Section 4. A promoted employee shall be required to serve a new trial period of six (6) months, except that the Sheriff or his designee may extend such trial period for up to an additional six (6) months. Promoted employees shall be evaluated at the end of each three (3) month period. In the event the promoted employee does not satisfactorily complete the trial period, the employee will be reverted to a position with a rank and rate of pay commensurate to that enjoyed by the employee before the promotion.

Section 5. When a position allowing for promotion or transfer within the department covered by this AGREEMENT becomes vacant the Sheriff shall notify the Missoula County Human Resources Department who shall promptly open up recruitment for the position, develop the posting, and post the notice of such vacancy on a bulletin board designated for such purposes at least seven (7) days, excluding Saturdays, Sundays and holidays, prior to filling such vacancy.

When any additional duty assignment as listed in Article 29 or similar specialized duty assignment that does not include additional compensation is to be made, the Sheriff shall have Human Resources post a notice as described previously in this section.

Section 6. The Human Resources department shall accept applications for all posted vacancies and promotions and ensure all candidates meet the minimum qualification requirements stated in the job description. After completion of initial screening and the department's selection processes, a list of qualified applicants shall be referred to the Sheriff, or his designee, who shall make the final selection.

Section 7. The Sheriff or selection committee shall establish selection criteria and a selection process prior to posting the position or additional duty assignment. Information on the selection process will be included in the posting. Examples of selection criteria and process activities include:

- written,

The final ranking shall be available to all the finalists and to the Association President upon request.

If the Sheriff's Office changes the selection process for any bargaining unit position, or for additional duty assignments posted in accordance with section 5 of this Article the EMPLOYER agrees to notify the ASSOCIATION in writing sufficiently in advance of using the selection

ARTICLE 13
SHIFT BIDDING

Section 1. Patrol officers working the twelve hour shifts defined in Article 13 section 1, shall bid for placement on one of the teams for each bidding period. For the purposes of this Article, "bidding period" shall be defined as a one-year period of time beginning on January 2, each year.

Section 2. On November 1 each year, officers working patrol will submit their first, second and third choices of shift assignments for the subsequent bidding period. Shift assignments shall be based on each officer's seniority or time in rank as follows:

- Sergeants will bid first according to time in rank,

The EMPLOYER reserves the right to deviate from the above shift bidding provisions in order to balance experience requirements on a team or in response to staffing shortages or other legitimate staffing needs. The EMPLOYER shall post any such changes within 14 calendar days after employees bid shifts under Section 2 above. Deviations for other reasons may occur by mutual consent of the EMPLOYER and the ASSOCIATION.

Section 5. A work schedule shall be compiled no later than December 15 each year. An employee's schedule may not be changed unless the employee has 3 weeks advance notice except that the EMPLOYER may change the work schedule without prior notice in order to maintain EMPLOYER operations during emergencies.

Vacation, sick, holiday leave (either use of accrued holiday leave or holiday leave taken when the holiday occurs on a day the employee is regularly scheduled to work) personal and compensatory leave will be treated as hours worked for the purpose of determining overtime pay. Employees must receive prior approval by the Division Commander, or, in his/her absence, the shift supervisor, to work hours in excess of their regularly scheduled shift. Upon receipt of prior approval, the employer may not unilaterally adjust an employee's regularly scheduled shift to avoid the payment of overtime under this Section.

On-Call status is defined to mean that the employee is required to carry a pager, be accessible to 9-1-1 dispatch or be accessible by telephone and available to report to work if necessary. On call detectives and coroners shall be paid \$15 per day when the employee is regularly scheduled to work and \$30 per day when the employee is not regularly scheduled to work.

Section 5. All of the time an Officer is placed on "Mandatory Standby" status for emergency call out, disaster or special response shall be considered as hours worked. Mandatory Standby may be ordered by a member of the command staff on an as needed basis. Mandatory Standby status is defined to mean that the employee must be immediately available by telephone, pager or radio for immediate call out until the order is rescinded.

Section 6. Employees shall be paid once every two weeks.

Section 7. When an employee is called out to work during the employee's off-duty hours, the employee shall receive a minimum of four hours of pay, at one and one-half times the employee's regular rate of pay, for such a call-out. This does not apply to extensions of the employee's work shift.

ARTICLE 15 CLOTHING ALLOWANCE

Section 1. All new employees, employed under this AGREEMENT for the first time, shall receive an advance to purchase minimum adequate clothing for the performance of their duties. The required uniform items shall be determined by the Sheriff. The employer shall provide to the employee a cash advance for the required items. The employee shall be responsible for obtaining the items and providing the employer with receipts for the purchase of these items within ninety days and settling the advance.

Section 2. Upon completion of the new employee's probationary period the employee shall receive the annual clothing allowance as described in Section 3 of this Article, except that employees completing probation after the 1st of January of any year shall receive the clothing allowance for that fiscal year prorated according to the following schedule.

January 1	100%
February 1	87%
March 1	67%
April 1	50%
May 1	33%
June 1	17%

Section 3. Each non-probationary employee covered by this AGREEMENT shall receive an annual clothing allowance of \$775.00. Such allowance must be utilized for the purchase, maintenance, or repair of required uniform components and equipment as defined in the Department Rules and Regulations. A duty weapon shall be an allowable expense following pre-approval by the Sheriff.

Section 4. Clothing allowance for new employees as designated in Section 1 of this Article shall be paid as soon as possible after employment. Such allowance shall be subject to pro rata deduction from the final paycheck in the event an employee does not serve the entire twelve (12) months for which such payment was made with the exception of an employee who expires, in which instance no deduction shall be made. The pro rata deduction provided in this Section may be waived at the discretion of the Sheriff.

Section 5. Clothing allowance as outlined in Section 3 of this Article shall be paid directly to the employee in one lump sum in a separate warrant as soon as is practicable after July 1 of each year in which this AGREEMENT is in effect. Allowances shall be subject to pro rata deduction from the final paycheck in the event an employee does not serve the entire twelve (12) months for which such payment was made. The pro rata deduction provided in this Section may be waived at the discretion of the Sheriff.

Section 6. If an employee terminates employment prior to serving the entire twelve-month probationary period, but returns required uniform items in satisfactory condition at the time of termination, the Sheriff may, at his discretion, waive the pro rata deduction.

Section 7. The EMPLOYER shall reimburse the employee for reasonable costs for replacement or repair of eyeglasses, including contact lenses, damaged or destroyed in the line of duty. The EMPLOYER shall reimburse the employee for reasonable costs, not to exceed thirty-five (\$35.00) dollars, for replacement or repair of a wristwatch damaged or destroyed in the line of duty. Reimbursement under this Section shall be allowed if it is determined through investigation by the Sheriff or his designee that such loss was incurred in the employee's line of duty. If restitution for such item is granted by the courts, the EMPLOYER shall be responsible for collecting the restitution.

Section 8. The EMPLOYER shall reimburse the employee for reasonable costs for replacement or repair of any required uniform component or equipment damaged or destroyed in the line of duty. Reimbursement under this Section shall be allowed if it is determined through investigation by the Sheriff or his designee that such loss was incurred in the employee's line of duty. If restitution for such item is granted by the courts, the EMPLOYER shall be responsible for collecting the restitution.

Section 9. The EMPLOYER shall not change the color, style, etc. of any article of uniform clothing during the term of this AGREEMENT unless mutually agreed to by both the EMPLOYER and the ASSOCIATION. If an article of the designated uniform becomes unavailable, management may, after consulting and considering input from the ASSOCIATION, select a replacement article to be paid for from the individual employee's uniform clothing allowance.

Section 10. The EMPLOYER shall reimburse up to \$250 per fiscal year for equipment and clothing on a list approved by the Sheriff for: (1) SRT tactical team officers, (2) search and rescue coordinator and assistant coordinators, (3) EOD team officers; and, (4) each K-9 officer. Employees shall be paid the reimbursement when they provide the EMPLOYER receipts for equipment and clothing purchased from the approved list.

ARTICLE 16 SICK LEAVE

As provided by State law, each employee shall earn sick leave credits from the first full pay period of employment at the rate of one (1) working day per month without restriction as to the number of days which may be accumulated. For calculating sick leave credits, two thousand eighty (2,080) hours shall equal one (1) year. Proportionate sick leave credits shall be earned and credited at the end of each pay period.

Section 2. Employees are not entitled to be paid for sick leave until they have been continuously employed for ninety (90) days. Upon completion of the qualifying period the employee is entitled to the sick leave credits earned.

Any illness, medical appointments or emergency which will necessitate use of sick leave shall be reported by the employee to the EMPLOYER promptly, and it shall be the responsibility of the employee to assure proper reporting of use of sick leave for record keeping purposes. Failure to report such leave promptly will be considered absence without leave and a deduction from the employee's pay will be made for the period of such leave.

- (A) Abuse of sick leave may be considered as insubordination on the part of an employee and may be cause for discipline, which may include discharge with forfeiture of payment for any accumulated sick leave. Sick leave shall be reported on forms prescribed by the Missoula County Human Resources Department.

If a holiday falls on an employee's regularly scheduled day off, the employee shall be entitled at the employee's option to either accrue holiday leave or to receive holiday pay. A maximum accumulation of one hundred and twenty (120) hours of accrued holiday leave will be allowed. After an employee has accumulated one hundred and twenty (120) hours of accrued holiday leave under the terms of this Article the employee shall be paid for all further holidays.

Section 3. In order to be eligible for holiday pay, employees shall have worked the last scheduled day before and the first scheduled day after the holiday. If an employee has not worked either of the above days without permission of the Sheriff, he/she shall forfeit the holiday pay. Bona fide illness, accident or vacation shall be considered excused absences.

Section 4. An employee may request to be cashed out for accrued holiday leave at the employee's regular hourly rate. Such requests must be made in writing prior to the end of the pay period during which the cash-out is to occur.

ARTICLE 19 VACATION

Section 1. As provided by State law, each employee will earn vacation credits from the first full pay period of employment at the rate of one and one-quarter ($1\frac{1}{4}$) working days per month for the first ten (10) years of service, and one and one-half ($1\frac{1}{2}$) working days per month for the next five (5) years of service, one and three-quarters ($1\frac{3}{4}$) working days per month for the next five (5) years of service, and two (2) working days per month of service for all service after twenty (20) years.

If the employee submits a reasonable request to use the excess vacation leave prior to March 30 of any given year, the employee shall not forfeit the leave and will have until the end of the calendar year to use the excess vacation leave. Upon termination of employment with the EMPLOYER, an employee who has worked the qualifying period will be paid for any unused vacation leave credits at the rate of pay in effect at the time of termination, provided that such rate has been in effect at least one month.

Section 5. Scheduling of vacation leave will be accomplished by cooperation between the employee and the Sheriff giving consideration to the employee's needs and the needs of the EMPLOYER. Employees may request approval for time off a reasonable time in advance of the vacation. Approval or disapproval of requests for time off shall be made within 10 days of the request, provided however that requests shall not be denied without a reasonable business reason. Employees on approved vacation leave shall not be called back to work to avoid paying overtime.

Personal leave hours will be pro-rated for eligible part-time employees. If an employee has unused personal leave hours from a previous fiscal year, personal leave hours will be added to existing hours so that the total number of personal leave hours equals eight.

Section 2. Employees who terminate employment will be paid for any unused personal leave hours.

This increase will primarily reflect any increase to the Sheriff's "uniform base" recommended by the County Compensation Board in accordance with 7-4-2503 MCA. But, in any year when the increase to the "uniform base" is less than the "annual increase parameter" a "pay equity" adjustment will be added to deputy sheriffs' pay rates to ensure they are treated similarly to county employees generally. The "pay equity" amount will be paid similar to extra duty pay reflected in section 1 of Article 29. The percent increase set for the "pay equity" pay addition will reflect the difference, if any, between the established "annual increase parameter" and the increase given to deputies based on adjustments to the Sheriff's "uniform base". The value of the "pay equity" amount will accrue from year to year if there continue to be differences between the "annual increase parameter" and increases set by the County Compensation Board for elected officials "uniform base". For fiscal year 2019 the EMPLOYER commits to apply a minimum 2.5% "annual increase parameter" for the purpose of this section.

Within ten (10) days after the meeting, the Sheriff or his designee shall issue a decision in writing to the parties involved.

LEVEL III: In the event the grievance is not resolved at Level II, it may be appealed to the Board of County Commissioners, who shall have the option to hear the grievance or to decline to hear the grievance. If the Board declines to hear the grievance, the Board, or its designee, shall notify the ASSOCIATION in writing within five (5) days after receiving the written grievance, and the ASSOCIATION may appeal the grievance under the provisions set forth in Level IV. If the Board decides to hear the grievance, it shall issue a written decision within thirty (30) days after receiving the written appeal. Should the EMPLOYER be the aggrieved party, the matter shall be presented directly to the Board at this level.

LEVEL IV: In the event there is no resolution to the grievance within the time specified, either the ASSOCIATION or the EMPLOYER may request arbitration as set forth below:

(a) The party requesting arbitration must make such request in writing to the other party involved within twenty (20) days following the receipt of the decision set forth in LEVEL II or the decision set forth in LEVEL III if the parties elect to use LEVEL III.

(b) Within five (5) days from receipt of the request as set forth in (a) above, the parties shall meet and confer on the selection of an impartial arbitrator.

(d) Within ten (10) days following the receipt of the seven (7) name list from FMCS the parties shall meet to select an arbitrator from such list. Each party to the dispute shall alternately strike names with the party bringing the grievance striking the first name, until one name remains and that person shall be designated the arbitrator.

(e) Within five (5) days after the selection of the arbitrator the EMPLOYER shall contact the arbitrator to request that a hearing date be established which is agreeable to both parties. In the

Section 4. The arbitrator shall not have the power to detract, modify or amend this AGREEMENT in any way.

Section 5. The decision of the arbitrator shall be binding upon all parties concerned.

Section 6. Each party shall bear the fees and expenses of the presentation of its own case. The fees and expenses of the impartial arbitrator shall be shared equally between the parties.

Section 7. In the event one of the parties to the arbitration wants a transcript of the arbitration proceedings, the party requesting the transcript shall pay all costs of such transcript.

Section 8. Failure by the EMPLOYER to issue a decision within the time periods provided herein shall constitute a denial of the grievance, and the employee may appeal it to the next level. If the EMPLOYER fails to issue a decision within the time periods provided herein, the employee has an additional five (5) days in which to appeal the grievance to the next level.

Days: Reference to days regarding time periods in this procedure shall refer to weekdays excluding Saturdays, Sundays, and holidays.

Computation of Time: In computing any period of time prescribed or allowed by the procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday, or a legal holiday. Time limits as designated in this Article may be extended by mutual agreement between the parties involved in the grievance.

For the purpose of this Article, punitive action is defined as any action which may lead to dismissal, suspension, reduction in rank, reduction in salary, written reprimand, or transfer for purposes of punishment.

(i) The interview shall be conducted at a reasonable hour, preferably at a time when the employee is on duty, or during the normal working hours for the employee, unless the seriousness of the investigation requires otherwise. (iv) The interviewing session shall be for a reasonable period taking into consideration the gravity and complexity of the issue being investigated. The employee being interviewed shall be allowed to attend to his own physical necessities.

(v) The employee being interviewed shall not be subjected to offensive language or threatened with punitive action, except that an officer refusing to respond to questions or submit to interview shall be informed that failure to answer questions directly related to the investigation or interview may result in punitive action. No employee's home address, home phone number or photograph shall be released in connection with any disciplinary action or investigation without the express consent of the employee.

(vi) The complete interview of an employee may be recorded. If a tape recording is made of the interview both parties shall have access to the contents of the tape recording. Possession of the original tape recording shall remain with the recording party. The employee shall be entitled to a transcribed copy of any notes made by a stenographer or to any reports or complaints made by investigators or other person, except those which are deemed by the EMPLOYER to be confidential. No notes or reports which are deemed to be confidential may be entered in the officer's personnel file.

(vii) If prior to or during the interview of an employee it is deemed that he may be charged with a criminal offense, he shall be immediately informed of his constitutional rights.

(viii) The employee, at his/her request, shall have the right to an ASSOCIATION representative of his/her choice who may not be either a person subject to the same investigation or a person involved in conducting the investigation. Whenever it is determined by either the EMPLOYER or the employee that the employee may be charged with a criminal offense, that employee, at his/her request, shall have the right to an attorney of his/her choice present.

(B) This section shall not apply to any interview of an employee in the normal course of duty, counseling, instruction, or informal verbal admonishment by, or other routine or unplanned contact with, a supervisor or any other employee, nor shall this section apply to an investigation concerned solely and directly with alleged criminal activities.

Section 3. (A) No employee shall be subjected to punitive action, or denied promotion, or be threatened with any such treatment, because of the lawful exercise of the rights granted under this Article, or the exercise of any rights under the existing grievance procedure.

(B) No punitive action, nor denial of promotion on grounds other than merit, shall be undertaken by the EMPLOYER without providing the employee with an opportunity for administrative appeal.

Section 4. No employee shall have any comment adverse to his/her interest entered in his/her personnel file by his/her EMPLOYER without the employee first reading and signing the instrument, or a copy of such instrument, containing the adverse comment indicating that he/she is aware of such comment. If the employee refuses to sign the instrument that fact shall be noted on the instrument and signed or initialed by the EMPLOYER.

Section 5. An employee shall have thirty (30) days within which to file a written response to any adverse comment entered in his/her personnel file. Such written response shall be attached to, and shall accompany the adverse comment.

Section 6. No employee shall be required or requested for purposes of job assignment or other personnel action to disclose any item of his property, income, assets, source of income, debts or personal or domestic expenditures (including those of any member of his/her family or household) unless such information is obtained or required under State law or proper legal procedure and tends to indicate a conflict of interest with respect to the performance of his/her official duties, or is necessary for the EMPLOYER to determine the desirability of assigning the employee to a specialized unit or duty in which there is a strong possibility that bribes or other improper inducements may be offered.

Section 7. In the event of a criminal investigation, the EMPLOYER will not search any locker, mailbox or slot or space for storage assigned to an individual employee except in the employee's presence, or with the employee's consent, or unless a valid search warrant has been obtained as provided by law.

Section 8. A deputy may be discharged only in accordance with Article 10. The EMPLOYER may not impose less severe forms of discipline without just cause. The EMPLOYER shall use progressive discipline provided however that the EMPLOYER reserves the right to choose the specific level of discipline based on the facts and circumstances involved, and the ASSOCIATION reserves the right to challenge the level of discipline chosen based on the principles of just cause. For the purposes of discipline, one day of suspension shall be eight (8) hours, and one week of suspension shall be forty (40) hours.

Section 9. All written notices of disciplinary actions that do not result in suspension, demotion, or dismissal shall be removed from the employee's file 12 months after they are issued; and written notices of disciplinary suspensions or demotions shall be removed from the employee's file 18 months after they are issued, provided that there has been no subsequent disciplinary action and that the documents are not relevant to any hearing or litigation pending at end of the applicable 12 or 18 month period. Request for removal of such documents must be submitted to the Director of Human Resources.

Section 10. Designated representatives of the ASSOCIATION shall be granted reasonable time off during working hours without loss of pay to investigate and process grievances and to engage in other work-related discussions with the EMPLOYER, provided that the employee has permission from his/her supervisor. Permission may be withheld by the supervisor because of operational requirements. In the event an employee is named as a defendant in any civil action arising out of his/her employment and the County's insurance carrier has not provided coverage for the employee within a reasonable time period, the EMPLOYER shall pay reasonable attorney's fees for any attorney retained by the employee to safeguard the interest of the employee in such action, provided that no criminal charges have been filed against the employee in connection with the incident that gives rise to the claim. The phrase "within a reasonable time period" as used in this section shall mean within the twenty (20) day period provided by law for a party's initial response to a civil complaint.

Section 2. Any employee eligible for such payment will submit an itemized statement of attorney's fees to the EMPLOYER no more than thirty (30) days after receipt of the statement from the attorney. The EMPLOYER will pay the reasonable attorney's fees of the employee within thirty (30) days after the itemized statement is submitted unless the attorney's fees submitted are deemed by the County Attorney to be not appropriate for the services rendered. In such instance, payment shall be made within thirty (30) days after the determination of reasonableness is agreed upon between the County Attorney and the employee's legal representative. The reasonableness of the attorney's fees shall be determined by a review of typical charges of attorneys of like experience and ability on like matters in the community.

Section 3. In the event that a final verdict or judgment establishes that the employee has committed an intentional tort or felonious act and the employee has no reasonable basis to believe that the act is within departmental guidelines, the employee shall be obligated to reimburse the County for attorney's fees previously paid by the County on the employee's behalf.

but not limited to the provisions concerning interest arbitration and no strike no lockout) shall continue in full force and effect after the termination date of this Agreement (and any extensions thereof) and thereafter until the parties have agreed on a successor agreement or one has been imposed pursuant to binding interest arbitration.

ARTICLE 44 EMBODIMENT

It is agreed by the parties who have hereto executed this AGREEMENT that this contract sets forth the entire AGREEMENT between the EMPLOYER and the ASSOCIATION and that during the course of collective bargaining each party had the unlimited right to offer, discuss, accept or reject proposals and, therefore, for the term of this contract no further collective bargaining shall be had upon any provision of the AGREEMENT unless mutually agreed to by both parties, nor upon any proposal which was offered and discussed but was not made a part of this AGREEMENT. Furthermore, there shall be no verbal or written agreement between the EMPLOYER and the ASSOCIATION in violation or contravention of this contract.

ARTICLE 45 LABOR MANAGEMENT COMMITTEE

Section 1: In order to facilitate communication and resolve issues of mutual interest, it is agreed that bargaining unit members will be allowed to serve on a Labor - Management Committee to confer on day-to-day work related problems. Labor and Management shall each designate at least two (2) but not more than four (4) members to serve on the committee. Meetings will be held upon the request of either the Employer or the Bargaining Unit, within 30 days of a request that meets the requirements of Section 2, at a date and time as mutually agreed to between the parties. Requests for meetings shall be made to the Sheriff.

Section 2: The request for a meeting must contain an agenda of the items to be discussed. It is understood that this Committee does not discuss items that are currently subject to the grievance procedure or items which properly belong in the collective bargaining process. It is further understood that the purpose of such Committee is to meet and confer and to act only in an advisory role.

ARTICLE 46 BINDING INTEREST ARBITRATION

Unless otherwise mutually agreed, at the expiration date of this Agreement (or any extensions thereof), unresolved issues shall be resolved through mediation and binding interest arbitration pursuant to the following procedures:

- 1) Either party may request mediation by the Montana Board of Personnel Appeals. After at least one mediated bargaining session, either party may declare impasse. Upon a declaration of impasse, the unresolved issues shall be submitted to final and binding interest arbitration.

2) The party declaring impasse shall request a list of seven names of qualified arbitrators from the Montana Board of Personnel Appeals. Within ten working days following the receipt of the seven name list from BoPA, the parties shall meet to select an arbitrator from such list. Each party shall alternatively strike a name from the list (with the first strike being determined by a flip of a coin) until one name remains and that person shall be designated the arbitrator.

3) Within five working days after the selection of the arbitrator, the parties shall notify the arbitrator of the selection and request his or her agreement to serve and that a hearing date be established which is agreeable to both parties.

4) Within ten working days after receiving notice of the arbitrator's agreement to serve, each party shall submit to the other party a final offer on the unresolved issues. The submission of unresolved issues shall be limited to those items that have been considered in negotiations and upon which the parties have not reached agreement.

5) Unless waived by the mutual agreement, the arbitrator shall hold a hearing where both parties shall be afforded the opportunity to examine and cross examine witnesses and to present relevant evidence in support of their respective final offers.

6) The arbitrator's award shall be restricted to only one of the final offers submitted by the parties. The arbitrator's decision shall be final and binding on the parties. The arbitrator's decision (and the items agreed upon by the parties during negotiations) shall be deemed to be the collective bargaining agreement between the parties.

7) The parties shall share the fees and expenses of the arbitrator and each party shall bear their own costs of the arbitration.

8) Nothing in this Article shall prevent the parties from continuing to negotiate until an agreement has been reached or the arbitrator has rendered a decision and award.

9) The parties specifically agree that the mechanism for resolving any future collective bargaining disputes shall be final and binding interest arbitration as provided for in this Article. Accordingly, the ASSOCIATION agrees that there shall be no strikes, work slow-downs, work interruptions or sympathy strikes and the EMPLOYER agrees that there will be no lock-outs or unilateral implementation of bargaining proposals.
