

# Alpine ADA July 17

- Public & ADA access of trail through southern trail park & park
- Surface type = firm
- Path Connection from Lot 25 - Lot 14  
ADA? Planning that way □ Variance - Cooler  
- PW comment

- ~~not~~ Elm drive to Alpine Trail connection  
ADA compliance - substantially  
going to do Double Arrow - complaints  
no pathway

## Facilities / PW

- one side pathway, ADA □ Fire hazard  
1,000 ft far road - reflect premises
- Lisa - Park easement - Ch 3  
- Wider Road in lieu of trail - 29  
- 29 - 100' clearance from roads  
- potential fire breaks

Inadequate route - puts people on the road

"reasonable + substantial" accommodations given topo constraints

Public ~~Access~~  
Safety

- public easement - 20'  
Elm → Hwy 83
- gravel hard to demarcate + maintain
- Paved pathway - TW
- 5 paved along the way - perhaps TW

★ reg path doesn't meet the intent of non-motorized facility reg

Alpine  
Trail
