Missoula County's Office of Emergency Management has unveiled an update to the Community Wildfire Protection Plan (CWPP) and is inviting the public to learn more about the plan and interact with the agencies and partners that created it.

The open house will run from 5:30 to 7:30 p.m. Thursday, March 22, in room 151 of the Courthouse Annex, located at 200 W. Broadway. Participants will have the chance to meet with Missoula County staff and other stakeholders, ask questions about the plan and provide feedback during the interactive open house. Refreshments will be provided.
