Signatures of Adjacent Property Owners Approving (attach additional pages if necessary): Approval by 51% of the affected property owners is required to change the name of a road. Any public road name change is not official until approved by a Resolution of the Commissioners. Private roads within a platted subdivision also require action by Resolution of the Commissioners to effect the change. Private roads not created by a platted subdivision do not require action by the Commissioners. The Public Works Department will generate the Resolution upon verification of the supplied information and all affected property owners will be notified by the County in writing of the outcome.
