Terry,

Attached is an edited version of the Categorical Exclusion (Cat-Ex), Environmental Engineering Analyses Report (EEAR), Section 4(f) and a comment matrix for Commissioner Strohmaier's comments. The Cat-Ex, EEAR and Section 4(f) were all edited based on comments received from MDT earlier this year.

Please review the documents and let the county know if MDT has any additional comments or edits. If MDT believes the documents are acceptable, please forward them onto the Federal Highway Administration for their review and approval.
