Good morning!

My how time flies!

Commitment letters to participate in our 'shared-cost' dust abatement program are due this Friday, March 6th. Should you still want to participate, I've attached a copy of the form in this email for you to fill out and submit. You may submit this form by email, USPS, FAX, or in person.

Price per linear foot will not be known until April 8th when bids are due, and I will forward that information onto you shortly after. Again, you are able to 'opt out' by emailing me, once that price is determined.

If you have any questions please feel free to contact me. If you know anyone that would like to be a part of this email list, please have them contact me as well.

Thank you!
