Subject: Dust Abatement Payments Due!
Attachments: 2020 County Dust Permit Application.pdf

Good morning!

Sending out a quick email as a reminder that dust abatement applications and payments are due by Friday, May 22nd. Once payments are received and processed, flags will be sent out for placement. Flags need to be placed by mid-June. I will send out a follow-up email as to when the start date will be. I have attached the dust abatement application for those of you that may have opted in late or have misplaced their application.

Because we are still working remotely, I am only physically in the office every week to two weeks. Because of this, receipts and flags aren't being mailed out as timely as in the past, but they will get to you in time.

I check voicemail and return calls every day and am available via email during work hours. Please do not hesitate to contact me with any questions.

Have a great week and stay safe!
Thank you!
