Drop By and Learn Something:

- **Makerspace:** The LWM Makerspace has the tools, equipment and experts to help you make your ideas into reality! Whether you're building a cardboard creation or an intricate 3d printed prototype robot, we can help! The Makerspace is open to homeschoolers on Fridays from 12:40-3:30, to everyone Monday through Friday from 4-6, or by appointment.
- **FREE Community of Learners Events:** Aspire students, teachers and community members offer FREE experiential classes for homeschooling families on Fridays from 12:40-3:30. Families can join in or students can be dropped off if they are age 11 or older.
- **Lending Library:** Homeschooling materials can be expensive. Check out our selection of materials and save some money by borrowing for free from us!
