

CHAPTER 9 SOLID FUEL BURNING DEVICES

Subchapter 6 – Contingency Measures

Rule 9.601 – Contingency Measures listed below in this subchapter go into affect if the non-attainment area fails to attain the NAAQS or to make reasonable progress in reducing emissions (see Chapter 3).

- (1) Rule 9.302(1) is modified to delete Alert class permitted devices, and Rules 9.302(3) and 9.205(1) are void.
- (2) All portions of this chapter that allow Alert permits to burn during alerts or warnings are hereby rescinded.
