**REVISED:**

**OCTOBER 5, 2023**

FLOOD INSURANCE STUDY NUMBER

30063CV002C

Version Number 2.6.4.6

# TABLE OF CONTENTS

## Volume 1

|                                                                 | <u>Page</u> |
|-----------------------------------------------------------------|-------------|
| <b>SECTION 1.0 – INTRODUCTION</b>                               | <b>1</b>    |
| 1.1 The National Flood Insurance Program                        | 1           |
| 1.2 Purpose of this Flood Insurance Study Report                | 2           |
| 1.3 Jurisdictions Included in the Flood Insurance Study Project | 2           |
| 1.4 Considerations for using this Flood Insurance Study Report  | 6           |
| <b>SECTION 2.0 – FLOODPLAIN MANAGEMENT APPLICATIONS</b>         | <b>17</b>   |
| 2.1 Floodplain Boundaries                                       | 17          |
| 2.2 Floodways                                                   | 20          |
| 2.3 Base Flood Elevations                                       | 21          |
| 2.4 Non-Encroachment Zones                                      | 22          |
| 2.5 Coastal Flood Hazard Areas                                  | 22          |
| 2.5.1 Water Elevations and the Effects of Waves                 | 22          |
| 2.5.2 Floodplain Boundaries and BFEs for Coastal Areas          | 22          |
| 2.5.3 Coastal High Hazard Areas                                 | 22          |
| 2.5.4 Limit of Moderate Wave Action                             | 22          |
| <b>SECTION 3.0 – INSURANCE APPLICATIONS</b>                     | <b>23</b>   |
| 3.1 National Flood Insurance Program Insurance Zones            | 23          |
| <b>SECTION 4.0 – AREA STUDIED</b>                               | <b>23</b>   |
| 4.1 Basin Description                                           | 23          |
| 4.2 Principal Flood Problems                                    | 24          |
| 4.3 Non-Levee Flood Protection Measures                         | 26          |
| 4.4 Levees                                                      | 26          |
| <b>SECTION 5.0 – ENGINEERING METHODS</b>                        | <b>29</b>   |
| 5.1 Hydrologic Analyses                                         | 29          |
| 5.2 Hydraulic Analyses                                          | 34          |
| 5.3 Coastal Analyses                                            | 40          |
| 5.3.1 Total Stillwater Elevations                               | 40          |
| 5.3.2 Waves                                                     | 41          |
| 5.3.3 Coastal Erosion                                           | 41          |
| 5.3.4 Wave Hazard Analyses                                      | 41          |
| 5.4 Alluvial Fan Analyses                                       | 41          |
| <b>SECTION 6.0 – MAPPING METHODS</b>                            | <b>42</b>   |
| 6.1 Vertical and Horizontal Control                             | 42          |
| 6.2 Base Map                                                    | 43          |
| 6.3 Floodplain and Floodway Delineation                         | 44          |
| 6.4 Coastal Flood Hazard Mapping                                | 79          |
| 6.5 FIRM Revisions                                              | 79          |

|                                                                    |                                       |           |
|--------------------------------------------------------------------|---------------------------------------|-----------|
| 6.5.1                                                              | Letters of Map Amendment              | 79        |
| 6.5.2                                                              | Letters of Map Revision Based on Fill | 79        |
| 6.5.3                                                              | Letters of Map Revision               | 80        |
| 6.5.4                                                              | Physical Map Revisions                | 80        |
| 6.5.5                                                              | Contracted Restudies                  | 81        |
| 6.5.6                                                              | Community Map History                 | 81        |
| <b>SECTION 7.0 – CONTRACTED STUDIES AND COMMUNITY COORDINATION</b> |                                       | <b>82</b> |
| 7.1                                                                | Contracted Studies                    | 82        |
| 7.2                                                                | Community Meetings                    | 84        |
| <b>SECTION 8.0 – ADDITIONAL INFORMATION</b>                        |                                       | <b>86</b> |
| <b>SECTION 9.0 – BIBLIOGRAPHY AND REFERENCES</b>                   |                                       | <b>87</b> |

#### Figures

|                                                                          | <u>Page</u> |
